Summary

High school senior with paid work experience in food service and civic operations, five current leadership roles, and a portfolio of websites I have designed and built. Seeking a part-time job or entry-level internship where I can contribute right away and keep learning.

Education

Southwest High School, Minneapolis, MN — Expected graduation 2027

- 12th grade, full International Baccalaureate (IB) Higher Level course load

Work Experience

Team Member, Dairy Queen — March 2026 to present

- Serve customers and prepare food, including ice cream treats and grill items, in a fast-paced restaurant
- Follow food safety procedures for allergens, cleaning chemicals and sanitation
- Stock inventory and log incoming product shipments
- Work with a diverse team to keep service fast and orders accurate

Paid Student Election Judge, City of Minneapolis — November 2025

- Checked in registered voters and assisted the public at a polling place during the Minneapolis mayoral election
- Helped keep election operations accurate and on schedule alongside city election staff
- Trusted with a professional civic role that requires reliability and attention to detail

Leadership

President, Muslim Student Alliance — September 2024 to present

- Lead meetings and coordinate student activities and initiatives
- Represent Muslim students and promote inclusivity across the school community

Co-Captain, Debate Team — December 2024 to present

- Lead teammates in preparing arguments and competition strategy
- Build public speaking, critical thinking and persuasion skills

Secretary and Website Designer, Black Student Union — February 2026 to present

- Designed and built the club's website, with meeting info, leaders, a newsletter and a photo gallery
- Help plan events and discussions on culture, leadership and student advocacy

President, Scrapbooking Club — September 2025 to present

- Plan activities for members and keep the club welcoming and organized
- Teach students to express themselves through collage

Member, Student Council — September 2025 to present

- Raise issues students face and work on solutions with school staff
- Represent the student body so school decisions reflect what students need

Web Design Projects

- **Southwest Black Student Union website** (swhs-bsu.vercel.app): the club's official site, with meetings, leaders, a newsletter and a gallery
- **School Finance Management website** (sfmk12.com): a site for a consulting firm that serves K-12 school districts
- **Personal portfolio** (bassiroudiop.vervel.app): an interactive, animated site built with React

Volunteering

Volunteer, Feed My Starving Children — December 2025

- Packed meals on a team for global hunger relief

Volunteer, Anthony Middle School — December 2025

- Guided younger students in writing letters to elderly nursing home residents

Volunteer, Al-Maa'uun Day of Dignity — August 2024

- Supported community services for local families at a large, fast-paced outreach event

Skills

- **Work:** customer service, food safety, inventory and stocking, teamwork
- **Technical:** website design and development, computer proficiency
- **Languages:** JavaScript, Python, Java, C++, HTML, CSS
- **Personal:** public speaking, leadership, problem solving, creativity, reliability, fast learner

Activities

Tennis · Unified Program (partnering with students with disabilities) · Anchor Crew (freshman engagement and school spirit)
